

Membership Benefits

- Subscription to the American Journal of Traditional Chinese Veterinary Medicine (AJTCVM):
 - Receive two printed AJTCVM issues per year and online access to all past issues
- Access to the AJTCVM electronic library:
 - Useful for review, continued education and manuscript preparation
- Access to the American Association of TCVM (AATCVM) Case Discussion Forum:
 - Ask and discuss general TCVM questions and give and receive prompt advice about specific cases
 - Review the archives by species and topic of discussion to receive help on cases and for continued education
- Free classified ads on the forum
- Listing in the public AATCVM Practitioner Directory:
 - Useful as a referral source for non-TCVM veterinarians, a public service source for potential clients, and communication with other TCVM veterinarians in your area
- Electronic WATCVM newsletters
- Discounts on select TCVM conferences
- Assistance with scientific writing, research design and grant preparation
- An 'Introduction to Acupuncture' PowerPoint presentation and dialogue:
 - For local and state veterinary association meetings and for lay presentations
- Help support TCVM research
- Support the student chapters of the WATCVM
- Help provide TCVM scholarships to veterinarians and veterinary students in developing nations
